Notes to Condensed Consolidated Financial Statements
(unaudited)

Note 1. Basis of Consolidation, Presentation and Going Concern

The accompanying unaudited condensed consolidated financial statements for Catasys, Inc. and its subsidiaries have been prepared in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP") and instructions to Form 10-Q and, therefore, do not include all disclosures necessary for a complete presentation of financial position, results of operations, and cash flows in conformity with U.S. GAAP. In our opinion, all adjustments, consisting of normal recurring adjustments, considered necessary for a fair presentation have been included. Interim results are not necessarily indicative of the results that may be expected for the entire fiscal year. The accompanying financial information should be read in conjunction with the financial statements and the notes thereto included in our most recent Annual Report on Form 10-K for the year-ended December 31, 2015, from which the balance sheets, as of December 31, 2015, have been derived.

Our financial statements have been prepared on the basis that we will continue as a going concern. At June 30, 2016, cash and cash equivalents was \$52,000 and we had a working capital deficit of approximately \$16 million. In July 2016, we amended and restated the June 2016 promissory note with Acuitas Group Holdings, LLC ("Acuitas"), a limited liability company, 100% owned by our Chief Executive Officer and Chairman, to increase the amount of the promissory note by \$570,000, for a total of \$2.8 million principal amount. We have incurred significant operating losses and negative cash flows from operations since our inception. During the six months ended June 30, 2016, our cash used in operating activities was \$2.9 million. We anticipate that we could continue to incur negative cash flows and net losses for the next twelve months. The financial statements do not include any adjustments relating to the recoverability of the carrying amount of the recorded assets or the amount of liabilities that might result from the outcome of this uncertainty. As of June 30, 2016, these conditions raised substantial doubt as to our ability to continue as a going concern. We expect our current cash resources to cover expenses through September 2016; however delays in cash collections, revenue, or unforeseen expenditures could negatively impact our estimate. We are in need of additional capital, however, there is no assurance that additional capital can be timely raised in an amount which is sufficient for us or on terms favorable to us and our stockholders, if at all. If we do not obtain additional capital, there is a significant doubt as to whether we can continue to operate as a going concern and we will need to curtail or cease operations or seek bankruptcy relief. If we discontinue operations, we may not have sufficient funds to pay any amounts to stockholders.

Our ability to fund our ongoing operations and continue as a going concern is dependent on increasing the number of members that are eligible for our programs by signing new contracts and generating fees from existing and new contracts for our managed care programs and the success of management's plans to increase revenue and continue to control expenses. We currently operate our *OnTrak* programs in Florida, Georgia, Illinois, Kansas, Kentucky, Louisiana, Massachusetts, Missouri, New Jersey, North Carolina, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, West Virginia and Wisconsin. We provide services to commercial (employer funded), managed Medicare Advantage and managed Medicaid populations. We have generated fees from our launched programs and expect to increase enrollment and fees throughout 2016. However, there can be no assurance that we will generate such fees or that new programs will launch as we expect.

Note 2. Summary of Significant Accounting Policies

Revenue Recognition

Our Catasys contracts are generally designed to provide cash fees to us on a monthly basis based on enrolled members. To the extent our contracts may include a minimum performance guarantee, we reserve a portion of the monthly fees that may be at risk until the performance measurement period is completed. To the extent we receive case rates that are not subject to the performance guarantees, we recognize the case rate ratably over the twelve months of the program.

Cost of Services

Cost of healthcare services consists primarily of salaries related to our care coaches, healthcare provider claims payments, and fees charged by our third party administrators for processing these claims. Healthcare services cost of services is recognized in the period in which an eligible member receives services. We contract with doctors and licensed behavioral healthcare professionals, on a fee-for-services basis. We determine that a member has received services when we receive a claim or, in the absence of a claim, by utilizing member data recorded in the *OnTrak*TM database within the contracted timeframe, with all required billing elements correctly completed by the service provider.

Cash Equivalents and Concentration of Credit Risk

We consider all highly liquid investments with an original maturity of three months or less to be cash equivalents. Financial instruments that potentially subject us to a concentration of credit risk consist of cash and cash equivalents. Cash is deposited with what we believe are highly credited, quality financial institutions. The deposited cash may exceed Federal Deposit Insurance Corporation ("FDIC") insured limits. As of June 30, 2016, we had no cash and cash equivalents exceeding federally insured limits.

For the six months ended June 30, 2016, two customers accounted for approximately 77% of the Company's revenues and two customers accounted for approximately 85% of accounts receivable.

Basic and Diluted Income (Loss) per Share

Basic income (loss) per share is computed by dividing the net income (loss) to common stockholders for the period by the weighted average number of common shares outstanding during the period. Diluted income (loss) per share is computed by dividing the net income (loss) for the period by the weighted average number of common and dilutive common equivalent shares outstanding during the period.

Common equivalent shares, consisting of 4,866,927 and 2,635,635 incremental common shares for the six months ended June 30, 2016 and 2015, respectively, issuable upon the exercise of stock options and warrants have been excluded from the diluted earnings per share calculation as their effect is anti-dilutive.

Share-Based Compensation

Our 2010 Stock Incentive Plan, as amended (the "Plan"), provides for the issuance of up to 1,825,000 shares of our common stock. Incentive stock options (ISOs) under Section 422A of the Internal Revenue Code and non-qualified options (NSOs) are authorized under the Plan. We have granted stock options to executive officers, employees, members of our board of directors, and certain outside consultants. The terms and conditions upon which options become exercisable vary among grants, but option rights expire no later than ten years from the date of grant and employee and board of director awards generally vest over three to five years. At June 30, 2016, we had 1,464,154 vested and unvested shares outstanding and 303,609 shares available for future awards under the Plan.

Share-based compensation expense attributable to continuing operations were \$174,000 and \$349,000 for the three and six months ended June 30, 2016, compared with \$209,000 and \$1.0 million for the same periods in 2015, respectively.

Stock Options – Employees and Directors

We measure and recognize compensation expense for all share-based payment awards made to employees and directors based on estimated fair values on the date of grant. We estimate the fair value of share-based payment awards using the Black-Scholes option-pricing model. The value of the portion of the award that is ultimately expected to vest is recognized as expense over the requisite service periods in the condensed consolidated statements of operations.

Share-based compensation expense recognized for employees and directors for the three and six months ended June 30, 2016 was \$174,000 and \$349,000, compared with \$208,000 and \$1 million, for the same periods in 2015, respectively.

For share-based awards issued to employees and directors, share-based compensation is attributed to expense using the straight-line single option method. Share-based compensation expense recognized in our condensed consolidated statements of operations for the three and six months ended June 30, 2016 and 2015 is based on awards ultimately expected to vest, reduced for estimated forfeitures. Accounting rules for stock options require forfeitures to be estimated at the time of grant and revised, if necessary, in subsequent periods if actual forfeitures differ from those estimates.

There were no options granted to employees and directors during the three and six months ended June 30, 2016, compared with 1,050,000 options granted to directors and 250,000 options granted to employees during the same period in 2015 under the Plan. Employee and director stock option activity for the three and six months ended June 30, 2016 are as follows:

	Shares	Weighted Avg. Exercise Price
Balance December 31, 2015	1,471,000	\$ 6.49
Granted	-	\$ -
Cancelled	(7,000)	\$ 10.38
Balance March 31, 2016	<u>1,464,000</u>	<u>\$ 6.49</u>
Granted	-	\$ -
Cancelled	-	\$ -
Balance June 30, 2016	<u>1,464,000</u>	<u>\$ 6.49</u>

The expected volatility assumptions have been based on the historical and expected volatility of our stock, measured over a period generally commensurate with the expected term. The weighted average expected option term for the three and six months ended June 30, 2016 and 2015, reflects the application of the simplified method prescribed in Securities and Exchange Commission (“SEC”) Staff Accounting Bulletin (“SAB”) No. 107 (as amended by SAB 110), which defines the life as the average of the contractual term of the options and the weighted average vesting period for all option tranches.

As of June 30, 2016, there was \$667,000 of total unrecognized compensation cost related to non-vested share-based compensation arrangements granted under the Plan. That cost is expected to be recognized over a weighted-average period of approximately 1.35 years.

Stock Options and Warrants – Non-employees

We account for the issuance of options and warrants for services from non-employees by estimating the fair value of warrants issued using the Black-Scholes pricing model. This model’s calculations include the option or warrant exercise price, the market price of shares on grant date, the weighted average risk-free interest rate, the expected life of the option or warrant, and the expected volatility of our stock and the expected dividends.

For options and warrants issued as compensation to non-employees for services that are fully vested and non-forfeitable at the time of issuance, the estimated value is recorded in equity and expensed when the services are performed and benefit is received. For unvested shares, the change in fair value during the period is recognized in expense using the graded vesting method.

There were no options issued to non-employees for the three and six months ended June 30, 2016 and 2015, respectively. Share-based compensation expense relating to stock options and warrants recognized for non-employees was \$0 and \$0 for the three and six months ended June 30, 2016 and \$1,000 and \$3,000 for the three and six months ended June 30, 2015, respectively.

There was no non-employee stock option activity for the three and six months ended June 30, 2016.

Common Stock

There were no shares of common stock issued for investor relations or consulting services during the three and six months ended June 30, 2016 compared to 0 and 76,000 shares issued for the same periods in 2015, respectively. Generally, the costs associated with shares issued for services are being amortized to the related expense on a straight-line basis over the related service periods.

Income Taxes

We have recorded a full valuation allowance against our otherwise recognizable deferred tax assets as of June 30, 2016. As such, we have not recorded a provision for income tax for the period ended June 30, 2016. We utilize the liability method of accounting for income taxes as set forth in ASC 740, Income Taxes. Under the liability method, deferred taxes are determined based on the temporary differences between the financial statement and tax basis of assets and liabilities using tax rates expected to be in effect during the years in which the basis differences reverse. A valuation allowance is recorded when it is more likely than not that some of the deferred tax assets will not be realized.

We assess our income tax positions and record tax benefits for all years subject to examination based upon our evaluation of the facts, circumstances and information available at the reporting date. For those tax positions where there is greater than 50% likelihood that a tax benefit will be sustained, we have recorded the largest amount of tax benefit that may potentially be realized upon ultimate settlement with a taxing authority that has full knowledge of all relevant information. For those income tax positions where there is less than 50% likelihood that a tax benefit will be sustained, no tax benefit has been recognized in the financial statements. Based on management's assessment of the facts, circumstances and information available, management has determined that all of the tax benefits for the period ended June 30, 2016 should be realized.

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Assets and liabilities recorded at fair value in the condensed consolidated balance sheets are categorized based upon the level of judgment associated with the inputs used to measure fair value. The fair value hierarchy distinguishes between (1) market participant assumptions developed based on market data obtained from independent sources (observable inputs) and (2) an entity's own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). The fair value hierarchy consists of three broad levels, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy are described below:

Level Input:	Input Definition:
Level I	Inputs are unadjusted, quoted prices for identical assets or liabilities in active markets at the measurement date.
Level II	Inputs, other than quoted prices included in Level I, that are observable for the asset or liability through corroboration with market data at the measurement date.
Level III	Unobservable inputs that reflect management's best estimate of what market participants would use in pricing the asset or liability at the measurement date.

The following table summarizes fair value measurements by level at June 30, 2016 for assets and liabilities measured at fair value:

<i>(Amounts in thousands)</i>	Balance at June 30, 2016			
	Level I	Level II	Level III	Total
Certificates of deposit	106	-	-	106
Total assets	<u>106</u>	<u>-</u>	<u>-</u>	<u>106</u>
Warrant liabilities	-	-	1,919	1,919
Derivative Liability	-	-	5,192	5,192
Total liabilities	<u>-</u>	<u>-</u>	<u>7,111</u>	<u>7,111</u>

Financial instruments classified as Level III in the fair value hierarchy as of June 30, 2016, represent our liabilities measured at market value on a recurring basis which include warrant liabilities and derivative liabilities resulting from recent debt and equity financings. In accordance with current accounting rules, the warrant liabilities and derivative liabilities are being marked-to-market each quarter-end until they are completely settled. The warrants and derivatives are valued using the Black-Scholes option-pricing model, using both observable and unobservable inputs and assumptions consistent with those used in our estimate of fair value of employee stock options. See *Warrant Liabilities* and *Derivative Liabilities* below.

The following table summarizes our fair value measurements using significant Level III inputs, and changes therein, for the three and six months ended June 30, 2016:

<i>(Dollars in thousands)</i>	Level III Warrant Liabilities	<i>(Dollars in thousands)</i>	Level III Derivative Liabilities

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation. Additions and improvements to property and equipment are capitalized at cost. Expenditures for maintenance and repairs are charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets, which range from two to seven years for furniture and equipment. Leasehold improvements are amortized over the lesser of the estimated useful lives of the assets or the related lease term, which is typically five to seven years.

Warrant Liabilities

In March 2016, we entered into a promissory note with Acuitas, pursuant to which we received aggregate gross proceeds of \$900,000 for the sale of \$900,000 in principal amount (the "March 2016 Promissory Note"). The March 2016 Promissory Note is due within 30 business days of demand by Acuitas (the "Maturity Date"), and carries an interest rate on any unpaid principal amount of 8% per annum until the Maturity Date, after which the interest will increase to 12% per annum. In addition, we issued Acuitas five-year warrants to purchase an aggregate 450,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "March 2016 Warrants"). The number of warrants were subsequently increased to 640,909 and the exercise price of the March 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In April 2016, we amended and restated the March 2016 Promissory Note to increase the amount by \$400,000, for a total of \$1.3 million (the "April 2016 Promissory Note"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 200,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "April 2016 Warrants"). The number of warrants were subsequently increased to 284,848 and the exercise price of the April 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In May 2016, we amended and restated the April 2016 Promissory Note to increase the amount by \$405,000, for a total of \$1.7 million (the "May 2016 Promissory Note"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 306,818 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "May 2016 Warrants").

In June 2016, we amended and restated the May 2016 Promissory Note to increase the amount by \$480,000, for a total of \$2.2 million (the "June 2016 Promissory Notes"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 363,636 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "June 2016 Warrants").

The warrant liability associated with the March 2016 Warrants, April 2016 Warrants, May 2016 Warrants, and June 2016 Warrants was calculated using the Black-Scholes model based upon the following assumptions:

	June 30, 2016	
Expected volatility	133.19%	
Risk-free interest rate	0.71%	- 1.01%
Weighted average expected lives in years	0.49	- 5
Expected dividend	0%	

We have issued warrants to purchase common stock in December 2011, February 2012, April 2015, July 2015, March 2016, April 2016, May 2016, and June 2016. The warrants are being accounted for as liabilities in accordance with FASB accounting rules, due to anti-dilution provisions in some warrants that protect the holders from declines in our stock price and a requirement to deliver registered shares upon exercise of the warrants, which is considered outside our control. The warrants are marked-to-market each reporting period, using the Black-Scholes pricing model, until they are completely settled or expire.

For the three and six months ended June 30, 2016 and 2015, we recognized a loss of \$522,000 and \$750,000, respectively, compared with a gain of \$7.4 million and \$9.9 million for the same periods in 2015, respectively, related to the revaluation of our warrant liabilities.

Derivative Liability

In July 2015, we entered into a \$3.55 million 12% Original Issue Discount Convertible Debenture due January 18, 2016 with Acuitas (the "July 2015 Convertible Debenture"). The conversion price of the July 2015 Convertible Debenture is \$1.90 per share, subject to adjustments, including for issuances of common stock and common stock equivalents below the then current conversion or exercise price, as the case may be. In October 2016, we entered into an amendment of the July 2015 Convertible Debenture which extended the maturity date of the Convertible Debenture from January 18, 2016 to January 18, 2017. In addition, the conversion price of July 2015 Convertible Debenture was subsequently adjusted to to \$0.30 per share. The July 2015 Convertible Debentures are unsecured, bear interest at a rate of 12% per annum payable in cash or shares of common stock, subject to certain conditions, at our option, and are subject to mandatory prepayment upon the consummation of certain future financings. The derivative liability associated with the July 2015 Convertible Debenture was calculated using the Black-Scholes model based upon the following assumptions:

	June 30, 2016	
Expected volatility	133.19%	
Risk-free interest rate	0.36%	
Weighted average expected lives in years	0.55	
Expected dividend	0%	

The expected volatility assumption for the six months ended June 30, 2016 was based on the historical volatility of our stock, measured over a period generally commensurate with the expected term. The weighted average expected lives in years for 2015 reflect the application of the simplified method set out in SEC SAB 107 (and as amended by SAB 110), which defines the life as the average of the contractual term of the options and the weighted average vesting period for all option tranches. We use historical data to estimate the rate of forfeitures assumption for awards granted to employees.

For the three and six months ended June 30, 2016, we recognized a loss of \$1.5 million and \$2.8 million, respectively, compared with a \$0 for the same periods in 2015, related to the revaluation of our derivative liability.

Recently Issued or Newly Adopted Accounting Standards

In April 2016, the FASB issued Accounting Standards Update (“ASU”) 2016-10, *Revenue from Contracts with Customers (Topic 606)* (“ASU 2016-10”), which amends certain aspects of the Board’s new revenue standard, ASU 2014-09, *Revenue from Contracts with Customers*. The standard should be adopted concurrently with adoption of ASU 2014-09 which is effective for annual and interim periods beginning after December 15, 2017. Early adoption is permitted. The Company has not yet selected a transition method nor has it determined the effect of the standard on its ongoing financial reporting.

In March 2016, the FASB issued ASU 2016-09, *Compensation — Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting* (“ASU 2016-09”), which outlines new provisions intended to simplify various aspects related to accounting for share-based payments and their presentation in the financial statements. The standard is effective for the Company beginning December 15, 2016, and interim periods within those annual periods. Early adoption is permitted. The adoption of ASU 2016-09 did not have a material effect on our consolidated financial position or results of operations.

In February 2015, the FASB issued ASU 2015-02, *Consolidation (Topic 810): Amendments to the Consolidation Analysis* (“ASU 2015-02”). ASU 2015-02 modifies existing consolidation guidance for reporting organizations that are required to evaluate whether they should consolidate certain legal entities. ASU 2015-02 is effective for fiscal years and interim periods within those years beginning after December 15, 2015, and requires either a retrospective or a modified retrospective approach to adoptions. Early adoption is permitted. We are currently evaluating the potential impact of this standard on our consolidated financial statements, as well as the available transition methods.

In August 2014, the FASB issued FASB ASU 2014-15, *Presentation of Financial Statements—Going Concern (Subtopic 205-40): Disclosure of Uncertainties about an Entity’s Ability to Continue as a Going Concern*, (“ASU 2014-15”). ASU 2014-15 changes to the disclosure of uncertainties about an entity’s ability to continue as a going concern. Under U.S. GAAP, continuation of a reporting entity as a going concern is presumed as the basis for preparing financial statements unless and until the entity’s liquidation becomes imminent. Even if an entity’s liquidation is not imminent, there may be conditions or events that raise substantial doubt about the entity’s ability to continue as a going concern. Because there is no guidance in U.S. GAAP about management’s responsibility to evaluate whether there is substantial doubt about an entity’s ability to continue as a going concern or to provide related note disclosures, there is diversity in practice whether, when, and how an entity discloses the relevant conditions and events in its financial statements. As a result, these changes require an entity’s management to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity’s ability to continue as a going concern within one year after the date that financial statements are issued. Substantial doubt is defined as an indication that it is probable that an entity will be unable to meet its obligations as they become due within one year after the date that financial statements are issued. If management has concluded that substantial doubt exists, then the following disclosures should be made in the financial statements: (i) principal conditions or events that raised the substantial doubt, (ii) management’s evaluation of the significance of those conditions or events in relation to the entity’s ability to meet its obligations, (iii) management’s plans that alleviated the initial substantial doubt or, if substantial doubt was not alleviated, management’s plans that are intended to at least mitigate the conditions or events that raise substantial doubt, and (iv) if the latter in (iii) is disclosed, an explicit statement that there is substantial doubt about the entity’s ability to continue as a going concern. ASU 2014-15 is effective for periods beginning after December 15, 2016. The adoption of ASU 2013-15 will not have a material effect on our consolidated financial position or results of operations.

Note 3. Related Party Disclosure

In March 2016, we entered into the March 2016 Promissory Note and March 2016 Warrants to Acuitas. In April 2016, we entered into the April 2016 Promissory Note and issued the April 2016 Warrant to Acuitas. In May 2016, we entered into the May 2016 Promissory Note and issued the May 2016 Warrant to Acuitas. In June 2016, we entered into the June 2016 Promissory Notes and issued the June 2016 Warrants to Acuitas. In addition, we have accounts payable outstanding with Mr. Peizer for travel and expenses of \$166,000 as of June 30, 2016. We also have \$969,000 in deferred salary owed to Mr. Peizer as of June 30, 2016.

Note 4. Short-term Debt

In March 2016, we entered into a promissory note with Acuitas, pursuant to which we received aggregate gross proceeds of \$900,000 for the sale of \$900,000 in principal amount (the "March 2016 Promissory Note"). The March 2016 Promissory Note is due within 30 business days of demand by Acuitas (the "Maturity Date"), and carries an interest rate on any unpaid principal amount of 8% per annum until the Maturity Date, after which the interest will increase to 12% per annum. In addition, we issued Acuitas five-year warrants to purchase an aggregate 450,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "March 2016 Warrants"). The number of warrants were subsequently increased to 640,909 and the exercise price of the March 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In April 2016, we amended and restated the March 2016 Promissory Note to increase the amount by \$400,000, for a total of \$1.3 million (the "April 2016 Promissory Note"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 200,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "April 2016 Warrants"). The number of warrants were subsequently increased to 284,848 and the exercise price of the April 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In May 2016, we amended and restated the April 2016 Promissory Note to increase the amount by \$405,000, for a total of \$1.7 million (the "May 2016 Promissory Note"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 306,818 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "May 2016 Warrants").

In June 2016, we amended and restated the May 2016 Promissory Note to increase the amount by \$480,000, for a total of \$2.2 million (the "June 2016 Promissory Notes"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 363,636 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "June 2016 Warrants").

Note 5. Subsequent Event

In July 2016, we amended the June 2016 Promissory Notes with Acuitas to increase the amount of the June 2016 Promissory Notes by \$570,000, for a total of \$2.8 million in principle amount (the "July 2016 Promissory Notes"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 431,818 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "July 2016 Warrants").

In August 2016, Acuitas loaned us \$225,000. No terms were discussed nor were any agreements executed in connection with such loan, but we currently contemplate that the \$225,000 will either be paid back out of our next significant financing or invested into such financing.

On August 15, 2016, we entered into subscription agreements (each, the Subscription Agreement") with three accredited investors, including Shamus, LLC, a company owned by David E. Smith, a member of our board of directors (collectively, the "Investors"), pursuant to which we issued to the Investors short-term senior promissory notes in the aggregate principal amount of \$2,750,000 (the "Notes") and five-year warrants to purchase aggregate of up to 875,000 shares of our common stock, at an exercise price of \$1.10 per share (the "Warrants").

The Notes bear accrued interest on the unpaid principal amount of 8.0% per annum, which shall be increased to 10% in the event of default. The maturity date of the Notes is December 15, 2016, on which date we shall pay the outstanding principal amount and all accrued interest. In addition, the Notes are mandatorily payable in the event we close a public offering of our securities of at least \$10.0 million.

The Warrants include price protection provision pursuant to which, subject to certain exempt issuances, the then exercise price of the Warrants will be adjusted, in the case we issue shares of our common stock for consideration per share less than the then exercise price of the Warrants, to the lowest consideration per share for the shares issued or sold in such transaction. The price protection will be in effect until the earliest of (i) the termination date of the Warrants (August 15, 2021), (ii) such time as the Warrants are exercised or (iii) contemporaneously with the listing of our shares of common stock on a registered national securities exchange.

In addition, on August 15, 2016, Acuitas agreed to exchange its \$2.8 million outstanding senior demand notes for short-term senior promissory notes in the aggregate principal amount of \$2.8 million, in the form substantially identical to the form of the Notes. Acuitas also agreed to increase the exercise price of certain of its outstanding warrants to purchase an aggregate 2,028,029 of the Company's shares of common stock from \$0.33 to \$1.10 per share. In consideration for the exchange and the increase to the exercise price of the warrants, the Company will issue to Acuitas additional warrants to purchase 893,940 of the Company's shares of common stock, at an exercise price of \$1.10 per share.

The program utilizes proprietary analytics, member engagement and patient centric treatment that integrates evidence-based medical and psychosocial interventions along with care coaching in a 52-week outpatient program. Our initial focus was members with substance use disorders. Starting in the second quarter of 2015, we have expanded our program into depression and anxiety disorders. We currently operate our *OnTrak* programs in Florida, Georgia, Illinois, Kansas, Kentucky, Louisiana, Massachusetts, Missouri, New Jersey, North Carolina, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, West Virginia and Wisconsin. We provide services to commercial (employer funded), managed Medicare Advantage and managed Medicaid populations.

Recent Developments

In March 2016, we entered into a promissory note with Acuitas, pursuant to which we received aggregate gross proceeds of \$900,000 for the sale of \$900,000 in principal amount (the "March 2016 Promissory Note"). The March 2016 Promissory Note is due within 30 business days of demand by Acuitas (the "Maturity Date"), and carries an interest rate on any unpaid principal amount of 8% per annum until the Maturity Date, after which the interest will increase to 12% per annum. In addition, we issued Acuitas five-year warrants to purchase an aggregate 450,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "March 2016 Warrants"). The number of warrants were subsequently increased to 640,909 and the exercise price of the March 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In April 2016, we amended and restated the March 2016 Promissory Note to increase the amount by \$400,000, for a total of \$1.3 million (the “April 2016 Promissory Note”). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 200,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the “April 2016 Warrants”). The number of warrants were subsequently increased to 284,848 and the exercise price of the April 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In May 2016, we amended and restated the April 2016 Promissory Note to increase the amount by \$405,000, for a total of \$1.7 million (the “May 2016 Promissory Note”). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 306,818 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the “May 2016 Warrants”).

In June 2016, we amended and restated the May 2016 Promissory Note to increase the amount by \$480,000, for a total of \$2.2 million (the “June 2016 Promissory Notes”). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 363,636 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the “June 2016 Warrants”).

Operations

We currently operate our *OnTrak* programs in Florida, Georgia, Illinois, Kansas, Kentucky, Louisiana, Massachusetts, Missouri, New Jersey, North Carolina, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, West Virginia, and Wisconsin. We provide services to commercial (employer funded), managed Medicare Advantage and managed Medicaid populations. We have generated fees from our launched programs and expect to increase enrollment and fees throughout 2016. However, there can be no assurance that we will generate such fees or that new programs will launch as we expect.

Summary of Consolidated Operating Results

Loss from continuing operations before provision for income taxes for the three and six months ended June 30, 2016 was \$4.7 million and \$9.0 million, compared with a net loss of \$585,000 and \$843,000 for the same periods in 2015, respectively. The difference primarily relates to the decrease in the change in fair value of warrant liability, offset by an increase in the change in fair value of warrant liability and interest expense for the three and six months ended June 30, 2016, compared to the same periods in 2015.

Revenues

During the six months ended June 30, 2016, we have expanded our customer base and health plan populations covered under our programs, which has resulted in a significant increase in the number of patients enrolled in our programs compared with the same period in 2015. For the six months ended June 30, 2016, enrollment increased by more than 72% over the same period in 2015. Recognized revenue increased by \$751,000 and \$1 million, or 159% and 116%, for the three and six months ended June 30, 2016, compared with the same periods in 2015, respectively. We reserve a portion, and in some cases all, of the revenue related to these contracts as the revenue is subject to performance guarantees, or in the instance of case rates received upon enrollment, recognized ratably over the period of enrollment. Deferred revenue increased by \$1.1 million since December 31, 2015.

Cost of Healthcare Services

Cost of healthcare services consists primarily of salaries related to our care coaches, community care coordinators, healthcare provider claim payments to our network of physicians and psychologists, and fees charged by our third party administrators for processing these claims. The increase of \$633,000 and \$1.2 million for the three and six months ended June 30, 2016, compared with the same periods in 2015, respectively, relates primarily to the increase in the number of members being treated, the addition of care coaches and community care coordinators to our staff to manage the increasing number of enrolled members, and the expansion of our program in Kansas to cover high cost members with anxiety disorders.

General and Administrative Expenses

Total general and administrative expense decreased by \$286,000 and \$833,000 for the three and six months ended June 30, 2016, compared with the same periods in 2015. The decrease was primarily due to a decrease in share-based compensation expense related to stock options issued to our board of directors during the first quarter of 2015, investor relations services, and legal services.

Depreciation and Amortization

Depreciation and amortization was immaterial for the three months ended March 31, 2016 and 2015, respectively.

Interest Expense

Interest expense decreased by \$519,000 and \$188,000 for the three and six months ended June 30, 2016 compared with the same periods in 2015. The decrease is related to the issuance of a convertible debenture in April 2015 offset by the issuance of warrants as part of the March 2016, April 2016, May 2016, and June 2016 promissory notes during the six months ended June 30, 2016.

Loss on Exchange of Warrant

The loss of \$4.4 million on the exchange of warrants related to the exchange of 21,277,220 warrants for 21,277,220 shares of common stock in May 2015. There was no such warrant exchange during the six months ended June 30, 2016.

Change in fair value of warrant liability

We have issued warrants to purchase common stock in December 2011, February 2012, April 2015, July 2015, March 2016, April 2016, May 2016 and June 2016. The warrants are being accounted for as liabilities in accordance with FASB accounting rules, due to anti-dilution provisions in some warrants that protect the holders from declines in our stock price and a requirement to deliver registered shares upon exercise of the warrants, which is considered outside our control. The warrants are marked-to-market each reporting period, using the Black-Scholes pricing model, until they are completely settled or expire.

The decrease in the change in fair value for the warrants was \$8.0 million and \$10.7 million for the three and six months ended June 30, 2016 compared with the same periods in 2015, respectively.

We will continue to mark-to-market the warrants to market value each quarter-end until they are completely settled.

Change in fair value of derivative liability

The change in fair value of derivative liabilities was \$1.5 million and \$2.8 million for the three and six months ended June 30, 2016, respectively, compared with the same periods in 2015. The derivative liability was the result of the issuance of the July 2015 Convertible Debenture.

We will continue to mark-to-market the derivative liability to market value each quarter-end until they are completely settled.

LIQUIDITY AND CAPITAL RESOURCES

Liquidity and Going Concern

As of August 12, 2016, we had a balance of approximately \$1.5 million cash on hand. We had working capital deficit of approximately \$16 million at June 30, 2016. We have incurred significant operating losses and negative operating cash flows since our inception. We could continue to incur negative cash flows and operating losses for the next twelve months. Our current cash burn rate is approximately \$450,000 per month, excluding non-current accrued liability payments. We expect our current cash resources to cover expenses through September 2016; however delays in cash collections, revenue, or unforeseen expenditures could impact this estimate. We are in need of additional capital, however, there is no assurance that additional capital can be timely raised in an amount which is sufficient for us or on terms favorable to us and our stockholders, if at all. If we do not obtain additional capital, there is a significant doubt as to whether we can continue to operate as a going concern and we will need to curtail or cease operations or seek bankruptcy relief. If we discontinue operations, we may not have sufficient funds to pay any amounts to stockholders.

In July 2016, we amended the June 2016 Promissory Notes with Acuitas to increase the amount of the June 2016 Promissory Note by \$570,000, for a total of \$2.8 million in principle amount. In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 431,818 shares of our common stock, at an exercise price of \$0.33 per share.

Our ability to fund our ongoing operations and continue as a going concern is dependent on increasing the number of members that are eligible for our programs by signing new contracts and generating fees from existing and new contracts for our managed care programs and the success of management's plans to increase revenue and continue to control expenses. We currently operate our OnTrak programs in Florida, Georgia, Illinois, Kansas, Kentucky, Louisiana, Massachusetts, Missouri, New Jersey, North Carolina, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, West Virginia and Wisconsin. We provide services to commercial (employer funded), managed Medicare Advantage and managed Medicaid populations. We have generated fees from our launched programs and expect to increase enrollment and fees throughout 2016. However, there can be no assurance that we will generate such fees or that new programs will launch as we expect. We are in need of additional capital, however, there is no assurance that additional capital can be timely raised in an amount which is sufficient for us or on terms favorable to us and our stockholders, if at all. If we do not obtain additional capital, there is a significant doubt as to whether we can continue to operate as a going concern and we will need to curtail or cease operations or seek bankruptcy relief. If we discontinue operations, we may not have sufficient funds to pay any amounts to our stockholders.

Cash Flows

We used \$2.9 million of cash for operating activities during the six months ended June 30, 2016 compared with \$2.6 million in the same periods in 2015, respectively. The increase in cash used in operating activities reflects the increase in the number of members being treated, the addition of care coaches and clinical care coordinators to our staff to manage the increasing number of enrolled members, and the expansion of our program in Kansas to cover high cost members with anxiety disorders. Significant non-cash adjustments to operating activities for the six months ended June 30, 2016 included a fair value adjustment on derivative liability of \$2.8 million, a fair value adjustment on warrant liability of \$750,000, and issuance costs of \$660,000 related to the March 2016 Promissory Note, April 2016 Promissory Note, May 2016 Promissory Note and the June 2016 Promissory Notes.

Capital expenditures for the six months ended June 30, 2016 were not material. We anticipate that capital expenditures will increase in the future as we replace our computer systems that are reaching their useful lives, upgrade equipment to support our increased number of enrolled members, and enhance the reliability and security of our systems. These future capital expenditure requirements will depend upon many factors, including obsolescence or failure of our systems, progress with expanding the adoption of our programs, and our marketing efforts, the necessity of, and time and costs involved in obtaining, regulatory approvals, competing technological and market developments, and our ability to establish collaborative arrangements, effective commercialization, marketing activities and other arrangements.

Our net cash provided by financing activities was \$2.1 million for the six months ended June 30, 2016, compared with net cash provided by financing activities of \$2.1 million for the six months ended June 30, 2015, respectively. Cash provided by financing activities for the six months ended June 30, 2016 consisted of the net proceeds from the promissory notes provided by Acuitas in March, April, May, and June 2016, leaving a balance of \$52,000 in cash and cash equivalents at June 30, 2016.

As discussed above, we currently expend cash at a rate of approximately \$450,000 per month. We also anticipate cash inflow to increase during 2016 as we continue to service our executed contracts and sign new contracts. We expect our current cash resources to cover our operations through through September 2016; however delays in cash collections, revenue, or unforeseen expenditures could impact this estimate. We are in need of additional capital, however, there is no assurance that additional capital can be timely raised in an amount which is sufficient for us or on terms favorable to us and our stockholders, if at all. If we do not obtain additional capital, there is a significant doubt as to whether we can continue to operate as a going concern and we will need to curtail or cease operations or seek bankruptcy relief. If we discontinue operations, we may not have sufficient funds to pay any amounts to our stockholders.

OFF BALANCE SHEET ARRANGEMENTS

As of June 30, 2016, we had no off-balance sheet arrangements.

CRITICAL ACCOUNTING ESTIMATES

The discussion and analysis of our financial condition and results of operations is based upon our financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). U.S. GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. We base our estimates on experience and on various other assumptions that we believe to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that may not be readily apparent from other sources. On an on-going basis, we evaluate the appropriateness of our estimates and we maintain a thorough process to review the application of our accounting policies. Our actual results may differ from these estimates.

We consider our critical accounting estimates to be those that (1) involve significant judgments and uncertainties, (2) require estimates that are more difficult for management to determine, and (3) may produce materially different results when using different assumptions. We have discussed these critical accounting estimates, the basis for their underlying assumptions and estimates and the nature of our related disclosures herein with the audit committee of our Board of Directors. We believe our accounting policies related to the fair value of warrants, the estimation of the fair value of our derivative liabilities, and share-based compensation expense, involve our most significant judgments and estimates that are material to our consolidated financial statements. They are discussed further below.

Warrant Liabilities

We have issued warrants to purchase common stock in December 2011, February 2012, April 2015, July 2015, March 2016, April 2016, May 2016 and June 2016. The warrants are being accounted for as liabilities in accordance with FASB accounting rules, due to anti-dilution provisions in some warrants that protect the holders from declines in our stock price and a requirement to deliver registered shares upon exercise of the warrants, which is considered outside our control. The warrants are marked-to-market each reporting period, using the Black-Scholes pricing model, until they are completely settled or expire.

For the three and six months ended June 30, 2016, we recognized a loss of \$522,000 and \$750,000, respectively, compared with a gain of \$7.4 million and \$9.9 million for the same periods in 2015, respectively, related to the revaluation of our warrant liabilities.

We will continue to mark the warrants to market value each reporting period, using the Black-Scholes pricing model until they are completely settled or expire.

Derivative Liabilities

In July 2015, we entered into the July 2015 Convertible Debenture. The derivative liability associated with the July 2015 Convertible Debenture was calculated using the Black-Scholes model based upon the following assumptions:

	June 30, 2016
Expected volatility	133.19%
Risk-free interest rate	0.36%
Weighted average expected lives in years	0.55
Expected dividend	0%

The expected volatility assumption for the six months ended June 30, 2016 was based on the historical volatility of our stock, measured over a period generally commensurate with the expected term. The weighted average expected lives in years for 2015 reflect the application of the simplified method set out in Security and Exchange Commission (SEC) Staff Accounting Bulletin (SAB) 107 (and as amended by SAB 110), which defines the life as the average of the contractual term of the options and the weighted average vesting period for all option tranches. We use historical data to estimate the rate of forfeitures assumption for awards granted to employees.

For the three and six months ended June 30, 2016 and 2015, we recognized a loss of \$1.5 million and \$2.8 million, respectively, compared with a \$0 for the same periods in 2015, respectively, related to the revaluation of our derivative liability.

Share-based compensation expense

We account for the issuance of stock, stock options, and warrants for services from non-employees based on an estimate of the fair value of options and warrants issued using the Black-Scholes pricing model. This model's calculations include the exercise price, the market price of shares on grant date, weighted average assumptions for risk-free interest rates, expected life of the option or warrant, expected volatility of our stock and expected dividend yield.

The amounts recorded in the financial statements for share-based compensation expense could vary significantly if we were to use different assumptions. For example, the assumptions we have made for the expected volatility of our stock price have been based on the historical volatility of our stock, measured over a period generally commensurate with the expected term. If we were to use a different volatility than the actual volatility of our stock price, there may be a significant variance in the amounts of share-based compensation expense from the amounts reported. The weighted average expected option term for the six months ended June 30, 2016 and 2015, reflects the application of the simplified method set out in SEC Staff Accounting Bulletin No. 107, which defines the life as the average of the contractual term of the options and the weighted average vesting period for all option tranches.

From time to time, we retain terminated employees as part-time consultants upon their resignation from the Company. Because the employees continue to provide services to us, their options continue to vest in accordance with the original terms. Due to the change in classification of the option awards, the options are considered modified at the date of termination. The modifications are treated as exchanges of the original awards in return for the issuance of new awards. At the date of termination, the unvested options are no longer accounted for as employee awards and are accounted for as new non-employee awards. The accounting for the portion of the total grants that have already vested and have been previously expensed as equity awards is not changed. There were no employees moved to consulting status for the three and six months ended June 30, 2016 and 2015.

RECENT ACCOUNTING PRONOUNCEMENTS

In April 2016, the FASB issued Accounting Standards Update ("ASU") 2016-10, *Revenue from Contracts with Customers (Topic 606)* ("ASU 2016-10"), which amends certain aspects of the Board's new revenue standard, ASU 2014-09, *Revenue from Contracts with Customers*. The standard should be adopted concurrently with adoption of ASU 2014-09 which is effective for annual and interim periods beginning after December 15, 2017. Early adoption is permitted. The Company has not yet selected a transition method nor has it determined the effect of the standard on its ongoing financial reporting.

In March 2016, the FASB issued ASU 2016-09, *Compensation — Stock Compensation (Topic 718): Improvements to Employee Share-Based Payment Accounting* (“ASU 2016-09”), which outlines new provisions intended to simplify various aspects related to accounting for share-based payments and their presentation in the financial statements. The standard is effective for the Company beginning December 15, 2016, and interim periods within those annual periods. Early adoption is permitted. The adoption of ASU 2016-09 did not have a material effect on our consolidated financial position or results of operations.

In February 2015, the FASB issued ASU, *Consolidation (Topic 810): Amendments to the Consolidation Analysis* (“ASU 2015-02”). ASU 2015-02 modifies existing consolidation guidance for reporting organizations that are required to evaluate whether they should consolidate certain legal entities. ASU 2015-02 is effective for fiscal years and interim periods within those years beginning after December 15, 2015, and requires either a retrospective or a modified retrospective approach to adoptions. Early adoption is permitted. We are currently evaluating the potential impact of this standard on our consolidated financial statements, as well as the available transition methods.

In August 2014, the FASB issued FASB ASU 2014-15, *Presentation of Financial Statements—Going Concern (Subtopic 205-40): Disclosure of Uncertainties about an Entity’s Ability to Continue as a Going Concern*, (“ASU 2014-15”). ASU 2014-15 changes to the disclosure of uncertainties about an entity’s ability to continue as a going concern. Under U.S. GAAP, continuation of a reporting entity as a going concern is presumed as the basis for preparing financial statements unless and until the entity’s liquidation becomes imminent. Even if an entity’s liquidation is not imminent, there may be conditions or events that raise substantial doubt about the entity’s ability to continue as a going concern. Because there is no guidance in U.S. GAAP about management’s responsibility to evaluate whether there is substantial doubt about an entity’s ability to continue as a going concern or to provide related note disclosures, there is diversity in practice whether, when, and how an entity discloses the relevant conditions and events in its financial statements. As a result, these changes require an entity’s management to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity’s ability to continue as a going concern within one year after the date that financial statements are issued. Substantial doubt is defined as an indication that it is probable that an entity will be unable to meet its obligations as they become due within one year after the date that financial statements are issued. If management has concluded that substantial doubt exists, then the following disclosures should be made in the financial statements: (i) principal conditions or events that raised the substantial doubt, (ii) management’s evaluation of the significance of those conditions or events in relation to the entity’s ability to meet its obligations, (iii) management’s plans that alleviated the initial substantial doubt or, if substantial doubt was not alleviated, management’s plans that are intended to at least mitigate the conditions or events that raise substantial doubt, and (iv) if the latter in (iii) is disclosed, an explicit statement that there is substantial doubt about the entity’s ability to continue as a going concern. ASU 2014-15 is effective for periods beginning after December 15, 2016. The adoption of ASU 2013-15 will not have a material effect on our consolidated financial position or results of operations.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Item 4. Controls and Procedures

Disclosure Controls

We have evaluated, with the participation of our principal executive officer and our principal financial officer, the effectiveness of our disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) as of June 30, 2016. Based on this evaluation, our principal executive officer and our principal financial officer have concluded that as of June 30, 2016, our disclosure controls and procedures were effective to ensure that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules and forms, and is accumulated and communicated to our management, including our principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

There were no changes in our internal controls over financial reporting during the three months ended June 30, 2016, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II – OTHER INFORMATION

Item 1. Legal Proceedings

None.

Item 1A. Risk Factors

There have been no material changes in our risk factors from those disclosed in our most recent Annual Report on Form 10-K.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

In March 2016, we entered into a promissory note with Acuitas, pursuant to which we received aggregate gross proceeds of \$900,000 for the sale of \$900,000 in principal amount (the "March 2016 Promissory Note"). The March 2016 Promissory Note is due within 30 business days of demand by Acuitas (the "Maturity Date"), and carries an interest rate on any unpaid principal amount of 8% per annum until the Maturity Date, after which the interest will increase to 12% per annum. In addition, we issued Acuitas five-year warrants to purchase an aggregate 450,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "March 2016 Warrants"). The number of warrants were subsequently increased to 640,909 and the exercise price of the March 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In April 2016, we amended and restated the March 2016 Promissory Note to increase the amount by \$400,000, for a total of \$1.3 million (the "April 2016 Promissory Note"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 200,000 shares of our common stock, at an exercise price of \$0.47 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "April 2016 Warrants"). The number of warrants were subsequently increased to 284,848 and the exercise price of the April 2016 Warrants were subsequently reduced to \$0.33 per share based upon the May 2016 Promissory Note.

In May 2016, we amended and restated the April 2016 Promissory Note to increase the amount by \$405,000, for a total of \$1.7 million (the "May 2016 Promissory Note"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 306,818 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "May 2016 Warrants").

In June 2016, we amended and restated the May 2016 Promissory Note to increase the amount by \$480,000, for a total of \$2.2 million (the "June 2016 Promissory Notes"). In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 363,636 shares of our common stock, at an exercise price of \$0.33 per share, which warrants include, subject to certain exceptions, a full-ratchet anti-dilution protection (the "June 2016 Warrants").

The warrants were issued without registration pursuant to exemption afforded by Section 4(a)(2) of the Securities Act of 1933, as amended.

Item 3. Defaults Upon Senior Securities

None.

Item 4. Mine Safety Disclosures.

Not applicable.

Item 5. Other Information

In July 2016, we amended the June 2016 Promissory Notes with Acuitas to increase the amount of the June 2016 Promissory Notes by \$570,000, for a total of \$2.8 million in principle amount. In connection with the amendment, we issued Acuitas five-year warrants to purchase an additional 431,818 shares of our common stock, at an exercise price of \$0.33 per share.

In August 2016, Acuitas loaned us \$225,000. No terms were discussed nor were any agreements executed in connection with such loan, but we currently contemplate that the \$225,000 will either be paid back out of our next significant financing or invested into such financing.

On August 15, 2016, we entered into subscription agreements (each, the Subscription Agreement") with three accredited investors, including Shamus, LLC, a company owned by David E. Smith, a member of our board of directors (collectively, the "Investors"), pursuant to which we issued to the Investors short-term senior promissory notes in the aggregate principal amount of \$2,750,000 (the "Notes") and five-year warrants to purchase aggregate of up to 875,000 shares of our common stock, at an exercise price of \$1.10 per share (the "Warrants").

The Notes bear accrued interest on the unpaid principal amount of 8.0% per annum, which shall be increased to 10% in the event of default. The maturity date of the Notes is December 15, 2016, on which date we shall pay the outstanding principal amount and all accrued interest. In addition, the Notes are mandatorily payable in the event we close a public offering of our securities of at least \$10.0 million.

The Warrants include price protection provision pursuant to which, subject to certain exempt issuances, the then exercise price of the Warrants will be adjusted, in the case we issue shares of our common stock for consideration per share less than the then exercise price of the Warrants, to the lowest consideration per share for the shares issued or sold in such transaction. The price protection will be in effect until the earliest of (i) the termination date of the Warrants (August 15, 2021), (ii) such time as the Warrants are exercised or (iii) contemporaneously with the listing of our shares of common stock on a registered national securities exchange.

The issuance of the securities pursuant to the Subscription Agreements was made in reliance upon an exemption from the registration requirements pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended.

The foregoing descriptions of the Subscription Agreements, the Notes and the Warrants are not complete and are qualified by reference to the full text of such documents, copies of which are filed as Exhibits 10.1 4.13 and 4.14, respectively, to this Quarterly Report and are incorporated herein by reference. The representations and warranties contained in these documents are solely for the purpose of allocating contractual risk between the parties, are not for the benefit of any party other than the parties to such agreements and are not intended as documents for investors and the public to obtain factual information about the current state of affairs of

the parties thereto. Rather, investors and the public should look to other disclosures contained in our filings with the SEC.

On August 15, 2016, Acuitas agreed to exchange its \$2.8 million outstanding senior demand notes for short-term senior promissory notes in the aggregate principal amount of \$2.8 million, in the form substantially identical to the form of the Notes and the same maturity date of December 15, 2016. Acuitas also agreed to increase the exercise price of certain of its outstanding warrants to purchase an aggregate 2,028,029 of the Company's shares of common stock from \$0.33 to \$1.10 per share. In consideration for the exchange and the increase to the exercise price of the warrants, the Company will issue to Acuitas additional warrants to purchase 893,940 of the Company's shares of common stock, at an exercise price of \$1.10 per share.

COMMON STOCK PURCHASE WARRANT

CATASYS, INC.

Warrant Shares: 306,818

Initial Exercise Date: May 24, 2016

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, Acuitas Group Holdings, LLC. or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "Initial Exercise Date") and on or prior to the close of business on the five year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Catasys, Inc., a Delaware corporation (the "Company"), up to 306,818 shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1(b).

Section 1. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1(c) below. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be **\$0.33**, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at any time after the Initial Exercise Date, there is no effective registration statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the ten (10) Trading Days immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (c) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is one (1) Trading Day after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 1(d)(iv) prior to the issuance of such shares, having been paid.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

iv. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

v. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

Section 2. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Equity Sales. If and whenever during the period starting on the Initial Exercise and continuing until the earlier of the Term or such time as the Warrant is exercised (the "Applicable Period"), the Company issues, sells or delivers, or is deemed to have issued, sold or delivered, any Common Stock or common stock equivalent in a transaction, other than an Exempt Issuance, for consideration per share less than a price equal to the Exercise Price in effect immediately prior to such issuance, sale or delivery or deemed issuance (such Exercise Price then in effect is referred to as the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to the lowest consideration per share for shares issued or sold in such transaction, but in no event shall the adjusted Exercise Price shall be reduced to a price lower than the par value of the Company's shares of Common Stock. Upon each adjustment in the Exercise Price pursuant to this Section 2(b), the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares purchasable immediately prior to such adjustment by a fraction, (i) the numerator of which shall be the Exercise Price immediately prior to such adjustment, and (ii) the denominator of which shall be the Exercise Price immediately thereafter. An Exempt Issuance shall mean the issuance of (i) shares of Common Stock, options or any other equity securities to employees, officers, directors or consultants of the Company pursuant to any stock or option plan, (ii) securities upon the exercise or exchange of or conversion of any Securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding as of the issuance date of this Warrant, (iii) securities issued pursuant to acquisitions or strategic transactions, (iv) securities issued by the Company pursuant to any of the Company's agreements and/or obligations existing as of the issuance date of this Warrant, and (v) securities issued by the Company to vendors and other service providers.

c) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2, the Company shall promptly deliver to each Holder a notice setting forth the Exercise Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

Section 3. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

COMMON STOCK PURCHASE WARRANT

CATASYS, INC.

Warrant Shares: 174,242

Initial Exercise Date: June 2, 2016

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, Acuitas Group Holdings, LLC. or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "Initial Exercise Date") and on or prior to the close of business on the five year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Catasys, Inc., a Delaware corporation (the "Company"), up to 174,242 shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1(b).

Section 1. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1(c) below. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be **\$0.33**, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at any time after the Initial Exercise Date, there is no effective registration statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the ten (10) Trading Days immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (c) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is one (1) Trading Day after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 1(d)(iv) prior to the issuance of such shares, having been paid.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

iv. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

v. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

Section 2. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Equity Sales. If and whenever during the period starting on the Initial Exercise and continuing until the earlier of the Term or such time as the Warrant is exercised (the "Applicable Period"), the Company issues, sells or delivers, or is deemed to have issued, sold or delivered, any Common Stock or common stock equivalent in a transaction, other than an Exempt Issuance, for consideration per share less than a price equal to the Exercise Price in effect immediately prior to such issuance, sale or delivery or deemed issuance (such Exercise Price then in effect is referred to as the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to the lowest consideration per share for shares issued or sold in such transaction, but in no event shall the adjusted Exercise Price shall be reduced to a price lower than the par value of the Company's shares of Common Stock. Upon each adjustment in the Exercise Price pursuant to this Section 2(b), the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares purchasable immediately prior to such adjustment by a fraction, (i) the numerator of which shall be the Exercise Price immediately prior to such adjustment, and (ii) the denominator of which shall be the Exercise Price immediately thereafter. An Exempt Issuance shall mean the issuance of (i) shares of Common Stock, options or any other equity securities to employees, officers, directors or consultants of the Company pursuant to any stock or option plan, (ii) securities upon the exercise or exchange of or conversion of any Securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding as of the issuance date of this Warrant, (iii) securities issued pursuant to acquisitions or strategic transactions, (iv) securities issued by the Company pursuant to any of the Company's agreements and/or obligations existing as of the issuance date of this Warrant, and (v) securities issued by the Company to vendors and other service providers.

c) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2, the Company shall promptly deliver to each Holder a notice setting forth the Exercise Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

Section 3. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

COMMON STOCK PURCHASE WARRANT

CATASYS, INC.

Warrant Shares: 189,394

Initial Exercise Date: June 22, 2016

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, Acuitas Group Holdings, LLC. or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "Initial Exercise Date") and on or prior to the close of business on the five year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Catasys, Inc., a Delaware corporation (the "Company"), up to 189,394 shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1(b).

Section 1. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1(c) below. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be **\$0.33**, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at any time after the Initial Exercise Date, there is no effective registration statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the ten (10) Trading Days immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (c) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is one (1) Trading Day after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 1(d)(iv) prior to the issuance of such shares, having been paid.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

iv. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

v. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

Section 2. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Equity Sales. If and whenever during the period starting on the Initial Exercise and continuing until the earlier of the Term or such time as the Warrant is exercised (the "Applicable Period"), the Company issues, sells or delivers, or is deemed to have issued, sold or delivered, any Common Stock or common stock equivalent in a transaction, other than an Exempt Issuance, for consideration per share less than a price equal to the Exercise Price in effect immediately prior to such issuance, sale or delivery or deemed issuance (such Exercise Price then in effect is referred to as the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to the lowest consideration per share for shares issued or sold in such transaction, but in no event shall the adjusted Exercise Price shall be reduced to a price lower than the par value of the Company's shares of Common Stock. Upon each adjustment in the Exercise Price pursuant to this Section 2(b), the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares purchasable immediately prior to such adjustment by a fraction, (i) the numerator of which shall be the Exercise Price immediately prior to such adjustment, and (ii) the denominator of which shall be the Exercise Price immediately thereafter. An Exempt Issuance shall mean the issuance of (i) shares of Common Stock, options or any other equity securities to employees, officers, directors or consultants of the Company pursuant to any stock or option plan, (ii) securities upon the exercise or exchange of or conversion of any Securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding as of the issuance date of this Warrant, (iii) securities issued pursuant to acquisitions or strategic transactions, (iv) securities issued by the Company pursuant to any of the Company's agreements and/or obligations existing as of the issuance date of this Warrant, and (v) securities issued by the Company to vendors and other service providers.

c) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2, the Company shall promptly deliver to each Holder a notice setting forth the Exercise Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

Section 3. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

COMMON STOCK PURCHASE WARRANT

CATASYS, INC.

Warrant Shares: 318,182

Initial Exercise Date: July 5, 2016

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, Acuitas Group Holdings, LLC. or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "Initial Exercise Date") and on or prior to the close of business on the five year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Catasys, Inc., a Delaware corporation (the "Company"), up to 318,182 shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1(b).

Section 1. Exercise.

a) **Exercise of Warrant.** Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1(c) below. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) **Exercise Price.** The exercise price per share of the Common Stock under this Warrant shall be **\$0.33**, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at any time after the Initial Exercise Date, there is no effective registration statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the ten (10) Trading Days immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (c) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is one (1) Trading Day after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 1(d)(iv) prior to the issuance of such shares, having been paid.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

iv. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

v. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

Section 2. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Equity Sales. If and whenever during the period starting on the Initial Exercise and continuing until the earlier of the Term or such time as the Warrant is exercised (the "Applicable Period"), the Company issues, sells or delivers, or is deemed to have issued, sold or delivered, any Common Stock or common stock equivalent in a transaction, other than an Exempt Issuance, for consideration per share less than a price equal to the Exercise Price in effect immediately prior to such issuance, sale or delivery or deemed issuance (such Exercise Price then in effect is referred to as the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to the lowest consideration per share for shares issued or sold in such transaction, but in no event shall the adjusted Exercise Price shall be reduced to a price lower than the par value of the Company's shares of Common Stock. Upon each adjustment in the Exercise Price pursuant to this Section 2(b), the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares purchasable immediately prior to such adjustment by a fraction, (i) the numerator of which shall be the Exercise Price immediately prior to such adjustment, and (ii) the denominator of which shall be the Exercise Price immediately thereafter. An Exempt Issuance shall mean the issuance of (i) shares of Common Stock, options or any other equity securities to employees, officers, directors or consultants of the Company pursuant to any stock or option plan, (ii) securities upon the exercise or exchange of or conversion of any Securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding as of the issuance date of this Warrant, (iii) securities issued pursuant to acquisitions or strategic transactions, (iv) securities issued by the Company pursuant to any of the Company's agreements and/or obligations existing as of the issuance date of this Warrant, and (v) securities issued by the Company to vendors and other service providers.

c) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2, the Company shall promptly deliver to each Holder a notice setting forth the Exercise Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

Section 3. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

COMMON STOCK PURCHASE WARRANT

CATASYS, INC.

Warrant Shares: 113,636

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, Acuitas Group Holdings, LLC. or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "Initial Exercise Date") and on or prior to the close of business on the five year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Catasys, Inc., a Delaware corporation (the "Company"), up to 113,636 shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1(b).

Section 1. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1(c) below. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be **\$0.33**, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at any time after the Initial Exercise Date, there is no effective registration statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the ten (10) Trading Days immediately preceding the date on which Holder elects to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (c) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Purchasers of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is one (1) Trading Day after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 1(d)(iv) prior to the issuance of such shares, having been paid.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

iv. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

v. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

Section 2. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Equity Sales. If and whenever during the period starting on the Initial Exercise and continuing until the earlier of the Term or such time as the Warrant is exercised (the "Applicable Period"), the Company issues, sells or delivers, or is deemed to have issued, sold or delivered, any Common Stock or common stock equivalent in a transaction, other than an Exempt Issuance, for consideration per share less than a price equal to the Exercise Price in effect immediately prior to such issuance, sale or delivery or deemed issuance (such Exercise Price then in effect is referred to as the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to the lowest consideration per share for shares issued or sold in such transaction, but in no event shall the adjusted Exercise Price shall be reduced to a price lower than the par value of the Company's shares of Common Stock. Upon each adjustment in the Exercise Price pursuant to this Section 2(b), the number of Warrant Shares purchasable hereunder shall be adjusted, to the nearest whole share, to the product obtained by multiplying the number of Warrant Shares purchasable immediately prior to such adjustment by a fraction, (i) the numerator of which shall be the Exercise Price immediately prior to such adjustment, and (ii) the denominator of which shall be the Exercise Price immediately thereafter. An Exempt Issuance shall mean the issuance of (i) shares of Common Stock, options or any other equity securities to employees, officers, directors or consultants of the Company pursuant to any stock or option plan, (ii) securities upon the exercise or exchange of or conversion of any Securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding as of the issuance date of this Warrant, (iii) securities issued pursuant to acquisitions or strategic transactions, (iv) securities issued by the Company pursuant to any of the Company's agreements and/or obligations existing as of the issuance date of this Warrant, and (v) securities issued by the Company to vendors and other service providers.

c) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2, the Company shall promptly deliver to each Holder a notice setting forth the Exercise Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

Section 3. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

For value received, CATASYS, INC., a Delaware corporation (“**Borrower**”), hereby promises to pay to the order of [_____], or its successors or assigns (“**Holder**”), located at [ADDRESS], the principal sum of (the “**Principal Amount**”), plus interest at the applicable Interest Rate (as defined in paragraph 2 hereof) on the unpaid Principal Amount hereof, pursuant to the terms of this Senior Promissory Note (the “**Note**”).

1. Maturity Date. This Note shall be repaid in full on or before the four (4) month anniversary of the Issue Date (such date, the “**Maturity Date**”). The outstanding Principal Amount of the Note, including all accrued (and theretofore unpaid) interest shall be due and payable on the Maturity Date.
 2. Interest Rate. Interest on the unpaid Principal Amount of this Note shall accrue on the outstanding Principal Amount thereof from the Issue Date at a per annum interest rate equal to 8.0% (the “**Interest Rate**”), but in no event more than the maximum interest rate permitted by applicable law. Interest shall be payable on the last business day of each full calendar month following the Issue Date. Interest on the Note shall be computed on the basis of a 365-day year. Notwithstanding anything to the contrary, in the event the Principal Amount and all interest accrued thereon has not been paid to Holder in full on the Maturity Date, the then-outstanding Principal Amount shall thereafter bear interest at the default rate of ten percent (10%) per annum.
 3. Payments. Any payment on this Note shall be made by wire transfer of immediately available funds to an account designated by the Holder or by check sent to the Holder’s address set forth in the records of the Borrower or to such other address as the Holder may designate for such purpose from time to time by written notice to the Borrower, in such coin or currency of the United States as at the time of payment shall be legal tender for the payment of public and private debts. All payments shall be applied first to any applicable fees and expenses owed to Holder under this Note, if any, then to accrued and unpaid interest and thereafter to outstanding principal.
 4. Prepayment.
 - (a) Optional Prepayment: Borrower may, without premium or penalty, at any time and from time to time, upon ten (10) days’ prior written notice to holder, prepay all or a part of the outstanding unpaid Principal Amount, together with accrued but unpaid interest thereon computed to the date of prepayment.
-

- (b) Mandatory Prepayment: In the event of a closing by the Borrower of the sale of Borrower's securities in a public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, resulting in at least \$10,000,000 of gross proceeds to the Borrower, the Borrower shall, within ten (10) days of the closing of such transaction, prepay the entire outstanding unpaid Principal Amount, together with accrued but unpaid interest thereon computed to the date of prepayment.
5. Representations and Warranties. Borrower makes the following representations, warranties and agreements in favor of Holder, which representations and warranties shall survive the execution of this Note and shall remain true, accurate and in full force and effect until all obligations of Borrower under this Note have been satisfied and paid in full:
- (a) Borrower is a duly organized and validly existing corporation and in good standing under the laws of the State of Delaware, and has the power and authority to enter into and perform its obligations under this Note; and
 - (b) Borrower has duly executed and delivered this Note, and this Note is a legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms.
6. Covenants. Borrower covenants and agrees that, on and after the date hereof, and until the unpaid principal amount of this Note and all accrued but unpaid interest thereon and any other obligations of Borrower hereunder are paid and performed in full and satisfied, Borrower shall comply with each of the following covenants, unless compliance therewith shall have been waived in writing by Holder:
- (a) Borrower will pay when due all its payment obligations hereunder, in the manner and at the time and place specified in this Note or otherwise by Holder in writing;
 - (b) Borrower will not without the prior written consent of Holder guarantee any obligations other than in the ordinary course of business.
 - (c) Borrower shall not pay any cash dividends or make any other distributions (other than distributions in the form of common stock made pro rata to all common stockholders) while this Note remains unpaid; and
 - (d) Borrower shall not repay any indebtedness of the Borrower to any party, including other Notes, but excluding repayment to any affiliate of the Borrower (as defined in Rule 405 under the Securities Act of 1933, as amended), unless this Note is contemporaneously paid in full. For the avoidance of doubt, the conversion of outstanding affiliated debt into equity, or the extension of the term thereof, or the exchange thereof for indebtedness on substantially the same terms as this Note, with a principal amount equal to the principal amount of such outstanding debt plus accrued and unpaid interest shall not be considered a repayment hereunder.
-

7. Events of Default. The following shall constitute Events of Default:

- (a) Failure by Borrower to pay the principal of or accrued interest on this Note within five (5) business days following the date when due.
 - (b) The insolvency of the Borrower, the commission of any act of bankruptcy by the Borrower, the execution by the Borrower of a general assignment for the benefit of creditors, the filing by or against the Borrower of any petition in bankruptcy or any petition for relief under the provisions of the federal bankruptcy act or any other state or federal law for the relief of Borrower and the continuation of such petition without dismissal for a period of thirty (30) days or more, the appointment of a receiver or trustee to take possession of any property or assets of the Borrower or the attachment of or execution against any property or assets of the Borrower.
 - (c) Any representation or warranty made by the Borrower in this Note or the Subscription Agreement will be false in any material respect when so made or the Borrower defaults in the due observance or performance of any term, covenant or agreement of the Borrower contained in this Note or the Subscription Agreement.
 - (d) The Borrower or any subsidiary shall default in any of its respective obligations under any other note or any mortgage, credit agreement or other facility, indenture agreement, factoring agreement or other instrument under which there may be issued, or by which there may be secured or evidenced any indebtedness for borrowed money or money due under any long term leasing or factoring arrangement of Borrower or any subsidiary, whether such indebtedness now exists or shall hereafter be created and such default shall result in such indebtedness becoming or being declared due and payable prior to the date on which it would otherwise become due and payable, provided that any applicable cure period related to such default under the terms of such note, mortgage, credit agreement or other facility, agreement or instrument is applicable.
 - (e) The Borrower shall (a) be a party to any Change of Control Transaction (as defined below) or (b) agrees to sell or dispose of all or in excess of 50% of its assets in one or more transactions (other than sales of the Borrower's equipment and whether or not such sale would constitute a Change of Control Transaction). "Change of Control Transaction" means the occurrence of any of: (i) an acquisition after the date hereof by an individual or legal entity or "group" (as described in Rule 13d-5(b)(1) promulgated under the Securities Exchange Act of 1934, as amended) of effective control (whether through legal or beneficial ownership of capital stock of Borrower, by contract or otherwise) of in excess of 50% of the voting securities of Borrower, (ii) a replacement at one time or over time of more than one-half of the members of Borrower's board of directors which is not approved by a majority of those individuals who are members of the board of directors on the date hereof (or by those individuals who are serving as members of the board of directors on any date whose nomination to the board of directors was approved by a majority of the members of the board of directors who are members on the date hereof), (iii) the merger of Borrower with or into another entity that is not wholly-owned by Borrower, consolidation or sale of 50% or more of the assets of Borrower in one or a series of related transactions, or (iv) the execution by Borrower of an agreement to which Borrower is a party or by which it is bound, providing for any of the events set forth above in (i), (ii) or (iii).
-

8. Remedies. Upon the occurrence of an Event of Default specified in Section 7(a), Holder may, by written notice to Borrower, declare this Note due and payable, whereupon the principal amount of this Note, together with all accrued and unpaid interest thereon and all other amounts payable hereunder, shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived, anything contained herein or in the documents evidencing the same to the contrary notwithstanding. Upon the occurrence of an Event of Default specified in Section 7(b), the unpaid principal balance of, and all other sums payable with regard to, this Note shall automatically and immediately become due and payable, in all cases without any action on the part of Holder. No right or remedy herein conferred upon or reserved to the Holder is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

9. Miscellaneous.

(a) *Waiver and Amendment*. Any provision of this Note may be amended or modified only by a writing signed by both Borrower and Holder. No waiver or consent with respect to this Note will be binding or effective unless it is set forth in writing and signed by the party against whom such waiver is asserted. No delay or failure on the part of either party in exercising any right or remedy under this Note will operate as a waiver of such right or any other right. A waiver given on one occasion will not be construed as a bar to, or as a waiver of, any right or remedy on any future occasion.

(b) *Governing Law; Jurisdiction*. This Note will be governed by and construed in accordance with the internal laws of the State of New York, without reference to that body of law relating to conflict of laws or choice of law. The Borrower and Holder each hereby submit to the exclusive jurisdiction of any state or federal court of competent jurisdiction in the state, county and city of New York for purposes of all legal proceedings arising out of or relating to this Note. Each of the Borrower and Holder irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum.

(c) *Severability; Headings.* The invalidity or unenforceability of any term or provision of this Note will not affect the validity or enforceability of any other term or provision hereof. The headings in this Note are for convenience of reference only and will not alter or otherwise affect the meaning of this Note.

(d) *Attorneys' Fees.* Other than as set forth in the Subscription Agreement, Borrower and Holder shall each be responsible for legal fees incurred in connection with the negotiation, execution, and delivery of this Note.

(e) *Assignment.* This Note may not be assigned or delegated by Borrower, whether by voluntary assignment or transfer, operation of law, or otherwise, without the prior written consent of Holder.

(f) *Notice.* Any notice required or permitted under this Note shall be given in writing and will be deemed effectively given upon personal delivery; upon confirmed transmission by electronic mail or facsimile; or three (3) days following deposit with the United States Post Office, by certified or registered mail, postage prepaid, addressed to the party's address set forth above or at such other address as such party may specify by written notice given in accordance with this Section.

(g) *Waiver of Jury Trial.* **EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS NOTE OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).**

COMMON STOCK PURCHASE WARRANT

CATASYS, INC.

Warrant Shares: _____

Initial Exercise Date: _____

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, [NAME] or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the date hereof (the "Initial Exercise Date") and on or prior to the close of business on the five year anniversary of the Initial Exercise Date (the "Termination Date") but not thereafter, to subscribe for and purchase from Catasys, Inc., a Delaware corporation (the "Company"), up to _____ shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 1(b).

Section 1. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy (or e-mail attachment) of the Notice of Exercise in the form annexed hereto and within three (3) Trading Days of the date said Notice of Exercise is delivered to the Company, the Company shall have received payment of the aggregate Exercise Price of the shares thereby purchased by wire transfer or cashier's check drawn on a United States bank or, if available, pursuant to the cashless exercise procedure specified in Section 1(c) below. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise within one (1) Business Day of receipt of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of the Common Stock under this Warrant shall be **\$1.10**, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. If at any time after the Initial Exercise Date, there is no effective registration statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the VWAP on the five (5) Trading Days immediately preceding the date on which Holder delivers the Notice of Exercise to exercise this Warrant by means of a “cashless exercise,” as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the Warrant Shares shall take on the characteristics of the Warrants being exercised, and the holding period of the Warrant Shares being issued may be tacked on to the holding period of this Warrant. The Company agrees not to take any position contrary to this Section 2(c), provided that no other transaction has taken place between the Company and Holder that might be integrated in such a manner as to disqualify the cashless exercise of the warrant from 3(a)(9).

“VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the Common Stock is not then listed or quoted for trading on OTCQB or OTCQX and if prices for the Common Stock are then reported in the “Pink Sheets” published by OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (c) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the then Holders of a majority in interest of the aggregate Warrants issued concurrent with the Subscription Agreements dated August 15, 2016 then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. Warrant Shares purchased hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder’s or its designee’s balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system (“DWAC”) if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) the Warrant Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is one (1) Trading Day after the delivery to the Company of the Notice of Exercise (such date, the “Warrant Share Delivery Date”). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date that the Notice of Exercise is delivered, provided that payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 1(d)(iv) having been paid within three (3) Trading Days of delivery of Notice of Exercise.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

iv. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Warrant Shares.

v. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 2. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 2(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Equity Sales. If and whenever during the period starting on the Initial Exercise and continuing until the earliest of (i) the Termination Date, (ii) such time as the Warrant is exercised or (iii) contemporaneously with the listing of the Common Stock on a registered national securities exchange (the "Applicable Period"), the Company issues, sells or delivers, or is deemed to have issued, sold or delivered, any Common Stock in a transaction, other than an Exempt Issuance, for consideration per share less than a price equal to the Exercise Price in effect immediately prior to such issuance, sale or delivery or deemed issuance (such Exercise Price then in effect is referred to as the "Applicable Price") (the foregoing a "Dilutive Issuance"), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to the lowest consideration per share for shares issued or sold in such transaction, but in no event shall the adjusted Exercise Price shall be reduced to a price lower than the par value of the Company's shares of Common Stock. An Exempt Issuance shall mean the issuance of (i) shares of Common Stock, options or any other equity securities to employees, officers, directors or consultants of the Company pursuant to any stock or option plan, (ii) securities upon the exercise or exchange of or conversion of any securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding as of the issuance date of this Warrant, (iii) securities issued pursuant to acquisitions or strategic transactions, (iv) securities issued by the Company pursuant to any of the Company's agreements and/or obligations existing as of the issuance date of this Warrant, (v) securities issued by the Company to vendors and other service providers, and (v) up to one percent (1%) of the number of shares of Common Stock outstanding on August 15, 2016 for any other purpose not set forth in subsection (i) through (v) hereof. Notwithstanding any other provision included in this Warrant, the Holder agrees to cooperate with the Company and to amend this Warrant, without any further consideration, to the extent necessary to assist the Company in its listing of the Common Stock on a national securities exchange provided that no increase in the Exercise Price or reduction in the number of Warrant Shares receivable shall be required.

c) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

d) Notice to Holder. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 2, the Company shall promptly deliver to each Holder a notice setting forth the Exercise Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment. To the extent that any notice provided in this Warrant constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

e) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person or group of Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the "Successor Entity") to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the "Company" shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

Section 3. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date the Holder delivers an assignment form to the Company assigning this Warrant full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the Initial Exercise Date and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 4. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 1(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be determined in accordance with the laws of the State of New York.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

h) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

i) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

j) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

k) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (the "Agreement") is entered into as of August 15, 2016, by and between Catasys, Inc., a Delaware corporation (the "Company"), and ("Purchaser").

WITNESSETH THAT:

WHEREAS, Purchaser wishes to lend the Company money pursuant to a Senior Promissory Note to be issued by the Company to Purchaser as of the date hereof in the aggregate principal amount of (the "Loan Amount") in the form attached hereto as Exhibit A (the "Note"); and

WHEREAS, the Company desires to issue Purchaser warrants to purchase up to an aggregate of shares of its common stock (the "Warrants"), par value \$0.0001 per share (the "Common Stock"), which represents an amount equal to 35% coverage based on the principal amount of Purchaser's Note delivered herewith divided by \$1.10, the exercise price per share of the Warrant, in the form attached hereto as Exhibit B; and

WHEREAS, Purchaser desires to purchase from the Company the Warrants on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Issuance and Acquisition of the Note and Warrants. Subject to the terms and conditions of this Agreement, the Company agrees to issue to Purchaser and Purchaser agrees to acquire from the Company the Note and the Warrant (as defined below) (the "Closing").

A. Note. Simultaneous with the execution of this Agreement by Purchaser and the delivery to the Company from Purchaser of a certified check or wire as described in Section 1.A.i below, the Company will deliver to Purchaser the Note and the Warrant.

i. Purchaser agrees, on the terms and subject to the conditions set forth in this Agreement, to lend to the Company the Loan Amount, and upon the execution of this Agreement, to deliver a certified check or wire made payable to the Company in an amount equal to the Loan Amount.

ii. The Loan Amount, together with any accrued and unpaid interest thereon, will be due and payable as set forth in the Note.

B. Warrant.

i. In consideration of the Loan Amount, Purchaser will receive a warrant, as set forth above and in Exhibit B (the "Warrant" and the shares of Common Stock issuable upon exercise of the Warrant, the "Warrant Shares").

ii. The Company will, during the time that the Warrant remains outstanding, reserve and keep available out of its authorized but unissued shares of Common Stock a sufficient number of shares of Common Stock to effect the exercise of the Warrant with respect to all Warrant Shares. In the event that, on the date of exercise of the Warrant, the number of authorized but unissued shares of Common Stock is not sufficient to enable the Company to issue the number of Warrant Shares issuable upon such exercise, the Company will cause the number of authorized shares of Common Stock to be increased to an amount at least sufficient to enable the Company to issue the Warrant Shares then subject to the Warrant as soon as practicable thereafter and the term of the Warrant shall be extended by a number of days equal to the number of days the Warrant Shares are not issuable as a result of such failure.

iii. Certificates evidencing the Warrant Shares shall not contain any legend: (i) while a registration statement covering the resale of such security is effective under the Securities Act of 1933 (“Securities Act”), or (ii) following any sale of such Warrant Shares pursuant to Rule 144 under the Securities Act (“Rule 144”), or (iii) if such Warrant Shares are eligible for sale under Rule 144, or (iv) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission). The Company shall cause its counsel to issue a legal opinion to its transfer agent promptly if required by the transfer agent to effect the removal of the legend hereunder and such counsel shall request any supporting documents from Purchaser in connection with such opinion, which Purchaser shall use commercially reasonable efforts to promptly deliver. If all or any portion of a Warrant is exercised at a time when there is an effective registration statement to cover the resale of the Warrant Shares, or if such Warrant Shares may be sold under Rule 144 or if such legend is not otherwise required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Securities and Exchange Commission (“Commission”)) then such Warrant Shares shall be issued free of all legends. The Company agrees that following such time as such legend is no longer required under this clause (iii), it will, no later than three Trading Days (as the term “Trading Day” is defined in the Warrant) following the delivery by a Purchaser to the Company or the Transfer Agent of a certificate representing Warrant Shares and the supporting documents, as applicable, issued with a restrictive legend (such third Trading Day, the “Legend Removal Date”), deliver or cause to be delivered to such Purchaser a certificate representing such shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the transfer agent that enlarge the restrictions on transfer set forth in this clause (iii). Certificates for Warrant Shares subject to legend removal hereunder shall be transmitted by the Transfer Agent to Purchaser by crediting the account of Purchaser’s prime broker with the Depository Trust Company System as directed by such Purchaser.

iv. In addition to such Purchaser’s other available remedies, the Company shall pay to a Purchaser, in cash, (i) as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares (based on the VWAP (as defined in the Warrant) of the Common Stock on the date such Securities are submitted to the Transfer Agent) delivered for removal of the restrictive legend and subject to Section 2(iii), \$5 per Trading Day (increasing to \$10 per Trading Day five (5) Trading Days after such damages have begun to accrue) for each Trading Day after the second Trading Day following the Legend Removal Date until such certificate is delivered without a legend and (ii) if the Company fails to (a) issue and deliver (or cause to be delivered) to a Purchaser by the Legend Removal Date a certificate representing the Securities so delivered to the Company by such Purchaser that is free from all restrictive and other legends and (b) if after the Legend Removal Date such Purchaser purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Purchaser of all or any portion of the number of shares of Common Stock, or a sale of a number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock that such Purchaser anticipated receiving from the Company without any restrictive legend, then, an amount equal to the excess of such Purchaser’s total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including brokerage commissions and other out-of-pocket expenses, if any) (the “Buy-In Price”) over the product of (A) such number of Warrant Shares that the Company was required to deliver to such Purchaser by the Legend Removal Date multiplied by (B) the lowest closing sale price of the Common Stock on any Trading Day during the period commencing on the date of the delivery by such Purchaser to the Company of the applicable Warrant Shares (as the case may be) and ending on the date of such delivery and payment under this clause (iv).

2. Representations and Warranties of the Company. The Company represents and warrants to Purchaser as follows:

a. Organization. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and is duly qualified to transact business as a foreign corporation in each other jurisdiction in which the nature and the character of its business requires such qualification, except where the failure to so qualify would not have a material adverse effect on the business, operations, condition (financial or otherwise) of the Company, or question the validity or enforceability of the Note or the Warrant, each a “Material Adverse Effect”).

- b. Power and Authority. The Company has the power and authority to execute, deliver and perform this Agreement and the other documents and instruments contemplated hereby. The execution, delivery and performance of this Agreement, the Warrants and the documents contemplated hereby and the consummation of the transactions contemplated hereby and thereby have been duly authorized and approved by the Company and its board of directors. This Agreement has been, and each of the other agreements, documents and instruments to be executed and delivered by the Company will be at the Closing, duly executed and delivered by, and constitute the legal, valid and binding obligation of the Company enforceable against the Company in accordance with their terms, except as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application relating to creditors' rights or by the application of equitable principles when equitable remedies are sought.
- c. Issuance of the Securities. The Note and the Warrants to be issued hereunder are duly authorized and, when issued and paid for in accordance with this Agreement, will be duly and validly issued, fully paid and nonassessable, free and clear of all liens imposed by the Company. - d. No Conflicts. The execution, delivery and performance by the Company of this Agreement, the issuance and sale of the Note and the consummation by it of the transactions contemplated hereby and thereby do not and will not (i) materially conflict with or violate any provision of the Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any lien upon any of the properties or assets of the Company or any of its Subsidiaries, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any material agreement, credit facility, debt or other instrument or other understanding to which the Company or any Subsidiary is a party or by which any property or asset of the Company or any Subsidiary is bound, or (iii) to the Company's knowledge, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company or a Subsidiary is bound or affected; except in the case of each of clauses (ii) and (iii), such as would not have or reasonably be expected to result in a Material Adverse Effect.
- e. Filing of Reports. The Company has filed all reports, schedules, forms, statements and other documents required to be filed by the Company under the Securities Act and the Securities Exchange Act of 1934 ("Exchange Act"), including pursuant to Section 13(a) or 15(d) thereof, for the two years preceding the date hereof (or such shorter period as the Company was required by law or regulation to file such material) (the foregoing materials, including the exhibits thereto and documents incorporated by reference therein, being collectively referred to herein as the "SEC Reports") on a timely basis or has received a valid extension of such time of filing and has filed any such SEC Reports prior to the expiration of any such extension. As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with United States generally accepted accounting principles applied on a consistent basis during the periods involved ("GAAP"), except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of the Company and its consolidated Subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

- f. No Adverse Changes. Since the date of the latest audited financial statements included within the SEC Reports, except as specifically disclosed in a subsequent SEC Report filed prior to the date hereof, (i) there has been no event, occurrence or development that has had or that would reasonably be expected to result in a Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice and (B) liabilities not required to be reflected in the Company's financial statements pursuant to GAAP or disclosed in filings made with the Commission, (iii) the Company has not altered its method of accounting, and (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock. No event, liability, fact, circumstance, occurrence or development has occurred or exists or is reasonably expected to occur or exist with respect to the Company or its Subsidiaries or their respective businesses, prospects, properties, operations, assets or financial condition that would be required to be disclosed by the Company under applicable securities laws at the time this representation is made or deemed made that has not been publicly disclosed at least 1 Trading Day prior to the date that this representation is made.

3. Representations and Warranties of Purchaser. Purchaser hereby represents and warrants to the Company as follows:

- a. Reliance on Exemptions. Purchaser understands that the Warrants and the Warrant Shares are being issued and sold hereby in reliance upon specific exemptions from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and state securities laws and that the Company is relying upon the truth and accuracy of, and Purchaser's compliance with, the representations, warranties, covenants, agreements, acknowledgments and understandings of Purchaser contained in this Agreement and the Warrants in order to determine the availability of such exemptions and the eligibility of Purchaser to acquire the Warrants and Warrant Shares.
- b. Accredited Investor Status. Purchaser is an "Accredited Investor" as such term is defined in Regulation D under the Securities Act of 1933, as amended (the "Securities Act"), and will be an Accredited Investor when the Warrants are exercised.
- c. Experience and Suitability. Purchaser has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Warrants and Warrant Shares, and has so evaluated the merits and risks of such investment. Purchaser is able to bear the economic risk of an investment in the Warrants and Warrant Shares and is able to afford a complete loss of such investment.
- d. Investment Purpose. Purchaser is acquiring the Warrants and will acquire the Warrant Shares for his or her own account for the purpose of investment and not with a view to, or for resale in connection with, the distribution thereof, nor with any present intention of distributing or selling the Warrant or the Warrant Shares. Purchaser understands that the Warrants and Warrant Shares have not been registered under the Securities Act or the securities laws of any state, and Purchaser hereby agrees not to make any sale, transfer or other disposition of any such Warrants or Warrant Shares unless either (i) the Warrants and Warrant Shares first shall have been registered under the Securities Act and all applicable state securities laws, or (ii) an exemption from such registration is available, and the Company has received such documents and agreements from Purchaser and the transferee as the Company requests at such time.
- e. Legends. Purchaser understands that until the Warrants or Warrant Shares have not been registered under the Securities Act and applicable state securities laws and each certificate representing such Warrants and Warrant Shares shall bear a legend substantially similar to the following:

"The securities represented by this certificate have not been registered under the Securities Act of 1933, as amended (the "Act"), or any state securities law and they may not be sold or otherwise transferred by any person, unless (1) either (a) a registration statement with respect to such securities shall be effective under the Act or (b) the company shall have received an opinion of counsel satisfactory to the company than an exemption from registration under such Act is then available and (2) there shall have been compliance with all applicable securities laws."

- f. Authority and Non-contravention. The execution and performance hereof violates no order, judgment, injunction, agreement or controlling document to which Purchaser is a party or by which Purchaser is bound. If an organization, (i) Purchaser is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it has been formed; (ii) Purchaser has the right and power under its organizational instruments to execute, deliver and perform its obligations hereunder; (iii) this Agreement has been duly authorized by all necessary action on the part of all officers, directors, partners, stockholders and trustees and will not violate any agreement to which Purchaser is a party; and (iv) the individual executing and delivering this Agreement has the requisite right, power, capacity and authority to do so on behalf of the organization.

4. Covenants of the Company.

a. Furnishing of Information.

(i) Until the earliest of the time that the Warrants have expired, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act.

(ii) At any time during the period commencing from the six (6) month anniversary of the date hereof and ending at such time that all of the Warrant Shares (assuming cashless exercise) may be sold without the requirement for the Company to be in compliance with Rule 144(c)(1) and otherwise without restriction or limitation pursuant to Rule 144, if the Company (i) shall fail for any reason to satisfy the current public information requirement under Rule 144(c) or (ii) has ever been an issuer described in Rule 144(i)(1)(i) or becomes an issuer in the future, and the Company shall fail to satisfy any condition set forth in Rule 144(i)(2) (a "Public Information Failure") then, in addition to such Purchaser's other available remedies, the Company shall pay to a Purchaser, in cash, as liquidated damages and not as a penalty, by reason of any such delay in or reduction of its ability to sell the Warrant Shares, an amount in cash equal to one percent (1.0%) of the aggregate Exercise Price of such Purchaser's Warrants on the date of a Public Information Failure and on every thirtieth (30th) day (pro-rated for periods totaling less than thirty days) thereafter until the earlier of (a) the date such Public Information Failure is cured and (b) such time that such public information is no longer required for Purchaser to transfer the Warrant Shares pursuant to Rule 144. The payments to which a Purchaser shall be entitled pursuant to this Section 4(a)(ii) are referred to herein as "Public Information Failure Payments." Public Information Failure Payments shall be paid on the earlier of (i) the last day of the calendar month during which such Public Information Failure Payments are incurred and (ii) the third (3rd) Trading Day after the event or failure giving rise to the Public Information Failure Payments is cured. In the event the Company fails to make Public Information Failure Payments in a timely manner, such Public Information Failure Payments shall bear interest at the rate of 1.0% per month (prorated for partial months) until paid in full. Nothing herein shall limit such Purchaser's right to pursue actual damages for the Public Information Failure, and such Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

b. Publicity. The Company shall (a) disclose the material terms of the transactions contemplated hereby in its Quarterly Report on form 10-Q for the quarter ended June 20, 2016, or (b) file a Current Report on Form 8-K, including this Agreement and the form of Note and Warrant as exhibits thereto, with the Commission within the time required by the Exchange Act. From and after the filing of such public disclosure, the Company represents to Purchaser that it shall have publicly disclosed all material, non-public information delivered to any of Purchaser by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents. In addition, effective upon the issuance of such public disclosure, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates on the one hand, and Purchaser or any of their Affiliates on the other hand, shall terminate. The Company and Purchaser shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor Purchaser shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company, with respect to any press release of Purchaser, or without the prior consent of Purchaser, with respect to any press release of the Company, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. Notwithstanding the foregoing, the Company shall not publicly disclose the name of Purchaser, or include the name of Purchaser in any filing with the Commission or any regulatory agency or the OTC Market ("Trading Market"), without the prior written consent of Purchaser, except (a) as required by federal securities law in connection with the filing of this Agreement with the Commission and (b) to the extent such disclosure is required by law or Trading Market regulations, in which case the Company shall provide Purchaser with prior notice of such disclosure permitted under this clause (b).

c. No Nonpublic Information. Except with respect to the material terms and conditions of the transactions contemplated by this Agreement, which shall be disclosed pursuant to clause (b) above, the Company covenants and agrees that neither it, nor any other Person acting on its behalf will provide Purchaser or its agents or counsel with any information that constitutes, or the Company reasonably believes constitutes, material non-public information, unless prior thereto Purchaser shall have consented to the receipt of such information and agreed with the Company to keep such information confidential. The Company understands and confirms that Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company

d. Stock Listing. The Company hereby agrees to use best efforts to maintain the listing or quotation of the Common Stock on the Trading Market on which it is listed. The Company further agrees, if the Company applies to have the Common Stock traded on any other Trading Market, it will then include in such application all of the Warrant Shares, and will take such other action as is necessary to cause all of the Warrant Shares to be listed or quoted on such other Trading Market as promptly as possible. The Company will then take all action reasonably necessary to continue the listing and trading of its Common Stock on a Trading Market and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Trading Market. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company (DTC) or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer, so long as the eligibility criteria for DTC or another clearing corporation do not materially change following the date of this Agreement.

e. Exercise of Warrants. The form of Notice of Exercise included in the Warrants set forth the totality of the procedures required of Purchaser in order to exercise the Warrants. No additional legal opinion, other information or instructions shall be required of Purchaser to exercise their Warrants. Without limiting the preceding sentences, no ink-original Notice of Exercise shall be required by the Company, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required by the Company in order to exercise the Warrants.

No such waiver or consent shall be deemed to be or shall constitute a waiver or consent with respect to any other terms or provisions of this Agreement, whether or not similar.
- d. Attorneys' Fees. The Company and Purchaser shall each be responsible for legal fees incurred in connection with the negotiation, execution, and delivery of this Note, provided that Purchaser may withhold up to an aggregate of \$10,000 from the purchase price of the Note to reimburse Purchaser's for its reasonable, documented legal fees incur in connection with the transactions contemplated hereby.

In the event that any court of competent jurisdiction shall determine that any provision, or any portion thereof, contained in this Agreement shall be unenforceable in any respect, then such provision shall be deemed limited to the extent that such court deems it enforceable, and as so limited shall remain in full force and effect. In the event that such court shall deem any such provision, or portion thereof, wholly unenforceable, the remaining provisions of this Agreement shall nevertheless remain in full force and effect.
