**CATASYS ANNOUNCES REVERSE STOCK SPLIT**

**LOS ANGELES, CALIFORNIA — September 02, 2011** — Catasy's, Inc. (OTCBB: CATS) announced effective September 6, 2011 that its Board of Directors has declared a reverse stock split of its common stock at a 1 for 40 ratio. Catasy's shareholders will receive one new share of Catasy's common stock for every forty shares held. The Company anticipates that the reverse stock split when combined with anticipated future contractual activity and other anticipated Company initiatives over the next quarter, will enable the Company to list on a National Stock Exchange.

The reverse split, which was approved by Catasy's shareholders in March 2011, will reduce the number of shares of outstanding common stock to approximately 21 million. In lieu of fractional shares, shareholders will receive cash. Additional details and instructions for shareholder stock certificate exchanges will be mailed to shareholders of record as the date of the split. Catasy's transfer agent is the American Stock Transfer & Trust Company, LLC, of who can be reached toll-free at 877-248-6417.

Through October 3, 2011, shares of Catasy's will trade on the OTCBB under the symbol "CATSD" (with the extra letter "D" to indicate the reverse split). Thereafter, the shares of Catasy's will resume trading under the symbol "CATS."
